Adult Help Needed

We do need adults to help "travel" with the different patrols and groups that will be participating, since we will be "moving" around the Lake Highlands part of town, we must have "TWO DEEP" leadership. We have all the stations staffed and ready to go, but could always use a few more hands. Our Troop 890 Quarter Masters will also need a few adults to help set up, prep, cook and clean up after dinner. So, if you're wanting to "jump in" and help out without heading off on a campout, here's your chance to get your "feet wet" and join the fun.
